## Household Batteries

You can also bring household batteries (not automotive) to many local stores for free. See the list below.

### Household Battery Collection Program

Please dispose of your batteries responsibly.

Batteries contain toxic metals or corrosive material and therefore should not be thrown in the trash. Please refer to this list for the battery collection location nearest you.

Batteries managed through this program must be from a household source and should be dropped off at the store's camera/electronics counter (please limit drop-offs to five pounds). For more information, call Santa Barbara County Public Works Department at 882-3602 or visit [www.LessIsMore.org](http://www.LessIsMore.org).

A message from the County of Santa Barbara Public Works Department, and the Cities of Santa Barbara and Goleta.  
Printed on 100% post-consumer recycled paper.

Unless otherwise noted the following business locations will accept all types of household batteries **excluding** auto batteries.
